Indiana Steelworkers: More Action Needed NOW!

"It wouldn't be a stretch to say that this has been the worst week ever for workers at the Indiana Statehouse."

- Indiana AFL-CIO President Nancy Guyott

Multiple bills designed to destroy our way of life and take away our rights have been introduced this past week in our state legislature.

Last week we asked you to write letters to Speaker of the House Brian Bosma telling him NOT to hold a hearing on right to work legislation. Over 5,000 letters have been written to date. **Keep those letters coming!**

On Tuesday, 600 Steelworkers converged in Indianapolis to fight back against this anti-worker legislation. **We need to do it again!**

We Need More Action Now!

Indiana Steelworkers are being asked to come to the Statehouse next week to show our legislators that they can't legislate us away.

We need members to come to the Statehouse on the following days:

Monday, February 21, 2011 – Right to Work hearing begins at 9:00 a.m.

Please arrive 1-2 hours early; long lines at security are expected.

Tuesday, February 22, 2011 beginning at 10:00 a.m.

Wednesday, February 23, 2011 beginning at 10:00 a.m.

Thursday, February 24, 2011 beginning at 10:00 a.m.

Please contact Brett Voorhies with the day you and/or your local members will be coming at bvoorhies@usw.org or 317-435-3333.
