

The Fight Continues

Steelworker Days at the Statehouse

We had a terrific rally on March 10 with many thousands of USW members and supporters taking a stand at the Statehouse. Building on the excitement of our big rally, the labor movement must continue a strong daily presence in Indy to show our support for the stand being taken by the House Democrats and to express our opposition to the war being waged on workers and public education.

In addition to letters, calls and efforts back home, the Steelworkers will focus our efforts on **Tuesdays & Thursdays** at the Statehouse. We ask all our members, families and friends to participate on one of those days. Most days will start at 10:00 a.m. EST, though you should check www.inaflcio.org for changes, and we encourage you to sign up for updates from the State Fed at www.aflcio.org.

District 7 will provide a bus at McBride Hall on Tuesdays and Thursdays departing at 6 a.m. Please reserve seats at 219-886-2596. (Locals who wish to send their own bus may request one from Shirley Rhye at 219-881-6227)

Special thanks to SOAR and our Illinois brothers and sisters, including the locked out members from Metropolis who traveled many hours to show solidarity with our struggle in Indiana.

We are all in this together!

In solidarity,

District 7 Rapid Response & Mobilization Team
